Idwala Le Ingwe offers a unique wedding experience for your intimate wedding, perfect for elopement or smaller weddings for guest size 2-40. Our spectacular mountain-top bush weddings occur in the game camps and offer breath-taking views of the Magaliesburg mountain range and the valleys below. We offer couples the opportunity to have a gorgeous low-cost wedding.

There are two wedding options available: Intimate Weddings and Elopement Weddings.

Intimate Weddings

The intimate wedding includes the ceremony and reception for up to 40 guests as well as accommodation for up to 28 guests of the wedding party.

Ceremony:

The ceremony occurs in the spectacular mountain-top bush wedding in the game camps, weather permitting. This is a magical secluded site with only 4x4 access. Guests may elect to transport their own guests in guest 4x4 vehicles, or alternatively, or additionally, Idwala Le Ingwe offers transport in our game viewers to the guests at a low cost. The Idwala Le Ingwe accommodation is included for 1 or 2 nights depending on the package. The ceremony can also occur at our Lapa area at the communal swimming pool. The roof of the Lapa is made of reeds and is not 100% weatherproof. The accommodation are as follows: 12-sleeper Holiday Home which sleeps up to 12 guests comfortably, 8-sleeper Holiday Home which sleeps up to 8 guests and 2 x Luxury Tent Houses which sleeps 4 guests comfortably. A tent could be brought in at the rooftop balcony of the 12-sleeper, or at the communal swimming pool, by the wedding party. Should the weather be less favourable, the ceremony will occur inside either the 12-sleeper or 8-sleeper Holiday Home, depending on the guest specifications. You may also elect to hire in a tent for the occasion which will assist with unforeseen weather changes.

Canapes and refreshments

Canapes and refreshments are either outside the 12-sleeper Holiday Home around the swimming pool, or in the or around the Lapa area at the communal swimming pool while the bridal couple enjoys a photoshoot in the beautiful mountain and bush sites backdrops.

Reception

Depending on the needs of the bridal party, the entertainment areas of the 12-sleeper or 8-sleeper holiday home are cleared of all furniture before the day, and the bridal couple brings in the furniture of their choice for the reception. The tables, chairs and all other items for the reception are the responsibility of the bridal couple to

source, hire in, set-up and remove. Should the bridal couple so desire, Idwala Le Ingwe can source these, at an additional charge which will be quoted and discussed. The bridal couple may elect either the rooftop entertainment area of the 12-sleeper with its spectacular views, or the inside lounge and entertainment areas of the 12-sleeper or 8-sleeper or both, depending on the bridal party requirements. The reception can also be held at the Lapa area at the communal swimming pool, weather permitting, as the Lapa roof is made of reeds and not 100% weatherproof.
